Profile

Why Pick Build West

Build West Pty Ltd can provide any new home or renovation requirement you desire and assist you throughout the formation process.

With over 30 years experience in the building industry Chris Leverett along with his family, has formed a qualified, professional team that will present clear solutions and advice throughout your home creation process. Using the latest in computer animation, Build West can give you a virtual walk-thru of your prospective home or renovations before work begins.

Believing in a personalised service without the use of pressure, Build West is an enthusiastic working environment with a progressive outlook on home creation and renovations. Utilising the qualified skills of young creative team members focused on providing quality service, means our clients receive a total commitment from every Build West representative they meet.

Build West have personalised the way they do business.

Relentless when it comes to results, Build West staff constantly re-engineers the way they work to adapt to ever-changing internal and external environments.

Services

Home Renovating

Utilising the skills of a professional team, our Designers consult with our qualified Building Department to create the best possible way for renovations to be carried out on your home.

Design & Drafting

Completing all owner/builder plans and working drawings to your satisfaction, Allwest Design also complete Shire Applications, Building licences, Development approvals, Engineering drawings and any Surveying or Project Management you may require.

New Homes

Build West can create your newly designed home, whether final drawings were proposed by Allwest Design or otherwise. Build West have successfully completed specialised projects of both a commercial and residential nature and take pride in producing a personalised service perceptive to the individual needs of every client.
